

250 SEVENTH

MADISON
SQUARE

250 NORTH 7TH AVENUE | PHOENIX, AZ

MODERN OFFICE BUILDING.

250 Seventh is a Class A, 6-story building with approximately 136,852 square feet of high-quality design. Located on the corner of 7th Avenue and Van Buren Street, the juxtaposition of this modern 21st century building on the grounds where the Phoenix Madison Square Garden once stood (and where the historic 800 Adams building still stands) offers a unique opportunity to be part of Phoenix's future history.

Madison Square is a "permit-by-inspection" approved property, which allows for quickly-customizable tenant space since the drawing and building processes are able to happen concurrently. Further, the available space in floors four through six provide amazing panoramic views of the picturesque Phoenix Mountains and beautiful, growing downtown skyline. Tenants are able to enjoy the convenience of working downtown within the comfort of a campus environment, which provides lush, green space and an abundance of garage and surface parking.
